

MARCIA RUTH OSTROM

School of the Environment and Extension
College of Agricultural, Human, and Natural Resource Sciences
Washington State University, 1100 N. Western Avenue, Wenatchee, WA 98801
509.630.1262; mrostrom@wsu.edu

EDUCATION

- 1997 Ph.D., Land Resources, Institute for Environmental Studies, University of Wisconsin-Madison
Chair: Frederick Buttel, Rural Sociology
- 1991 M.S., Development Sociology (Natural Resources), Cornell University
Minor in Applied Ecology
Chair: Philip McMichael, Rural Sociology
- 1985 A.B., *magna cum laude*, Biology/Anthropology, Harvard University

PROFESSIONAL POSITIONS

- 2023-Present Professor of Sustainable Food and Farming Systems, School of the Environment and Director, Food Systems Program, Washington State University
- 2019-2022 Associate Professor of Sustainable Food and Farming Systems, School of the Environment and Food Systems Program, Washington State University
- 2016-2018 Associate Professor, School of the Environment and Center for Sustaining Agriculture and Natural Resources, Washington State University
- 2012-2016 Associate Professor and Small Farms Program Director, School of the Environment and Center for Sustaining Agriculture and Natural Resources, Washington State University
- 2010-2012 Associate Professor and Small Farms Program Director, Center for Sustaining Agriculture and Natural Resources, Washington State University
(Department of Community and Rural Sociology was closed in 2010)
- 2006-2009 Associate Professor and Small Farms Program Director, Department of Community and Rural Sociology and Center for Sustaining Agriculture and Natural Resources, Washington State University
- 2001-2006 Assistant Professor and Small Farms Program Director, Department of Community and Rural Sociology and Center for Sustaining Agriculture and Natural Resources
- 1997-2000 Postdoctoral Position, Program on Agricultural Technology Studies, University of Wisconsin-Madison, Madison, WI
- 1994-1996 Graduate Research Assistant, Center for Integrated Agricultural Systems, University of Wisconsin-Madison, Madison, WI
- 1991-1996 Graduate Project Assistant, Engineering Professional Development, University of Wisconsin-Madison, Madison, WI

RESEARCH AND SCHOLARSHIP INTERESTS

Agroecology, Food and the Environment, Sociology of Agriculture and Food Systems, Social Movements in Agrifood Systems, Racial and Gender Equity in Agrifood Systems, Values-Based Food Supply Chains, Land-Grant University Engagement, Participatory Research and Extension

HONORS AND AWARDS

2021	Faculty Excellence in Extension Award, WSU CAHNRS
2020	Smith Teaching and Learning Fellowship, WSU
2019	Advocate of the Year, Tilth Alliance of Washington
2018-2019	President; Agriculture, Food and Human Values Society
2018	Changemaker's Showcase, Kellogg Fellows Leadership Association
2017	Excellence in Innovation Award; Agriculture, Food, and Human Values Society
2017	Fulbright Fellowship, University of Southern Denmark
2010	Faculty Diversity Award for "Advancing diversity at Washington State University through distinctive and outstanding teaching, research and outreach"
2009	Certificate of Appreciation, Denis Ebodaghe, USDA National Small Farms Program Leader, "Outstanding Contributions to Fifth National Small Farm Conference," USDA National Institute of Food and Agriculture
2007	Award for Excellence in Extension, National Association of State Universities and Land Grant Colleges
2005	Big Cat Award for exemplary team leadership, Small Farms Program, WSU
2005	Gold Award, Newsletter Category, Association of Natural Resource Extension Professionals, "Sustaining the Pacific Northwest," Small Farms e-newsletter
2002-2004	Kellogg Fellow, Farming and the Environment Group, Kellogg Food and Society Program
2003	Certificate of Appreciation, Ann Veneman, Secretary of Agriculture, "Outstanding Contributions to Third National Small Farm Conference"
2003	Featured Program, Sixth Food and Agricultural Science Exhibition on Capitol Hill, National Association of State Universities and Land Grant Colleges
1989-1991	Foreign Language and Area Studies (FLAS) Fellowships, Cornell University
1988-1989	Sage Graduate Fellowship, Cornell University
1984	John Harvard Scholar
1981-1985	Radcliffe College Scholar

GRANTS

	Post-tenure		Pre-tenure		Career Totals	
	External	Internal	External	Internal		
Submitted	92	6	32	1	126	\$27,779,058
Awarded*	59	5	19	1	84	
Amount Awarded	\$9,726,872	\$188,996	\$3,784,759	\$50,000		\$13,674,160

*All grants listed have been as PI or Co-PI.

Numbers in parentheses indicate amount received directly and the following areas of contribution: 1) Provided the initial idea, 2) Developed design and objectives, 3) Authorship of grant application, 4) Developed and/or managed budget, 5) Managed personnel and project activities, 6) Amount directed to my programs. Graduate students marked with an asterisk ().*

Submitted

Shults, P., **Ostrom, M.**, and K. Smith. Expanding Specialty Crop Production through Forest Farming and Bigleaf Maple Sugaring Practices, USDA Specialty Crops Block Grant Program through WSDA, Co-PI (10/1/2024-9/30/27). **\$238,231 [2,4,5, \$60,000]**

Ostrom, M. and A. Sharma. Expanding Washington State University (WSU) Extension ‘Cultivating Success-CS’ programs statewide while centering Diversity, Equity, Inclusion, Belonging (DEIB) and course accessibility, Extension Foundation, Co-PI (1/2024-6/2024). **\$40,000 [1,4,5, \$30,000]**

Awarded in 2023

Ostrom, M., and L. Raymond. USDA Northwest Mountain Food Business Center: Connecting, Strengthening, and Scaling Food Supply Chains in the Mountain and Northwest, USDA NIFA Economic Research Services, *subaward* through Colorado State University, PI (3/1/2023-2/29/2028). **\$1,073,310 [2,4,5, \$1,073,310]**

Continuing through 2023

Ostrom, M and K. Smith. Incubator Learning Farm Site, Veterans in Agriculture Pilot Program, Veterans Conservation Corps, Washington State Department of Veterans Affairs, PI (12/2022-9/2023). **\$64,000 [2,3,4,5,\$64,000]**

Ostrom, M., McMoran, D., and K. Smith. Asserting a Farm Viability Model for the Future: Forging Cross-sector and USDA Partnerships to Ensure Capital Access, Land Access, and Financial Resiliency for Next Generation Farmers, USDA National Institute of Food and Agriculture, American Rescue Plan Technical Assistance Investment Program, *subaward* through Grow Food dba Viva Farms, PI (10/2022-9/2027). **\$184,610 [2,4,5, \$184,610]**

Ostrom, M. Complexity and Tradeoffs in Animal Agriculture Sustainability: Building Awareness and Trust between Producers and Consumers, USDA National Institute of Food and Agriculture, AFRI IDEAS Grant, *subaward* through University of Washington, PI (7/2022-6/2025). **\$98,636 [4,5,\$98,636]**

Ostrom, M., Griffin LaHue, D., LaHue, G., Collins, D., Brady, M. and K. Smith. From Farmers to Soil Health Managers: Participatory Design of On-Farm Trials to Stimulate Adoption of Innovative Conservation Techniques by Historically Underserved Farmers in the Puget Sound Region, USDA NRCS Conservation Innovation Grant, *subcontract* through Grow Food dba Viva Farms, PI (1/2022-12/2025). **\$321,580 [2,4,5,\$84,958]**

Ostrom, M. Building Skills, Networks and Markets to Expand Organic Specialty Crops, USDA Specialty Crops Block Grant through WSDA, *subcontract* through Organic Seed Alliance, PI (9/2021-9/2024). **\$12,445 [4,5,\$12,445]**

Ostrom, M., and J. Son. Building an Aggregation Network and Marketing Support for BIPOC Specialty Crop Farmers, USDA Specialty Crops Block Grant through WSDA, PI (9/2021-9/2024). **\$249,178 [4,5,\$226,859]**

Ostrom, M and K. Smith. Incubator Learning Farm Site, Veterans in Agriculture, Veterans Conservation Corps, Washington State Department of Veterans Affairs, PI (10/2021-9/2022). **\$67,500 [4,5,\$67,500]**

- McMoran, D., **Ostrom, M.** and K. Smith Building Beginning Farmer Capacity and Sustainability through Outreach, Training, Mentorship and Land Access, USDA Beginning Farmer Rancher Grant Program, *subcontract* through Grow Food dba Viva Farms (9/2021-9/2024). **\$120,000 [2,3,4,5,\$67,400** co-managed to fund Latino Agriculture Specialist]
- McMoran, D., **Ostrom, M.** and K. Smith. Elevating Bilingual Land Access, Financial and Employment Training and Technical Assistance for Experienced Beginning Specialty Crop Producers in the North Puget Sound Region. USDA Specialty Crop Block Program through WSDA, *subcontract* through Grow Food dba Viva Farms, Co-PI (10/2020-9/2022). **\$29,250 [4,5,\$20,000** co-managed to fund Latino Agriculture Specialist]
- Ostrom, M.** Building capacity and support for PNW radicchio production through market expansion and international exchange, USDA Specialty Crops Block Grant through WSDA, PI (9/2020-9/2023). **\$249,750 [4,5,\$249,750]**
- Ostrom, M.,** *Batcheler M., and M. Swanson. Optimizing Benefits of Silvopasture systems in the Interior Pacific Northwest: Influences on fuel structure and vascular plant diversity, Joint Research Partnership with USDA National Agroforestry Center, lead Co-PI with graduate student (1/2021-9/2023). **\$38,494 [2,4,5,\$38,494]**
- Hinrichs, C., Fitzsimmons, J., Joanides, J., **Ostrom, M.**, and K. Ruhf. Farm Succession and Transfer Dynamics: Sustaining an Agriculture of the Middle in the U.S., USDA National Institute of Food and Agriculture, AFRI, Co-PI (7/2021-6/2024). **\$500,000 [1,2,3,4,5,\$55,000]**
- McMoran, D., **Ostrom, M.** and K. Smith. Local Food for All, USDA Local Food Promotion Program, *subcontract* through Grow Food dba Viva Farms, Co-PI (9/2020-9/2023). **\$40,578 [2,4,5, \$37,723** co-managed to fund Latino Agriculture Specialist]
- Ostrom, M.,** Conner, D., Howard, P., Miller, M., and B. Ewing. Apple to Glass: Improving Orchard Profitability through Developing Regional Craft Ciders, USDA National Institute of Food and Agriculture, AFRI, PI (7/2018- 6/2023). **\$500,000 [1,2,3,4,5,\$250,000]**
- Previously Completed Projects
- Ostrom, M** and K. Smith. Cultivating Success Advanced Financial Management, USDA Risk Management Agency, PI (10/2021-12/2022). **\$25,000 [1,4,5,\$25,000]**
- Ostrom, M.,** *Batcheler M., Swanson, M. and L. Carpenter-Boggs. Enhancing the Ecological and Socioeconomic Benefits of Silvopasture Systems in Washington State through Participatory Research and Education, Western Sustainable Agriculture Research and Education Program Graduate Student Program, PI (8/2020-8/2022). **\$25,000 [2,3,4,\$25,000]**
- Ostrom, M.** Enhancing Learning Outcomes in Online School of Environment Core Course: Natural Resources, Society, and the Environment (SOE 312). Samuel H. and Patricia H. Smith Teaching and Learning Fellowship, PI (5/2020-6/2022). **\$4,995 [1,2,3,4,5, \$4,995]**

- Flores, M, Schaffer, S. and M. Ostrom (2009). *Emprenderismo Agrícola y Planificación de Negocios: Herramientas y Entrenamiento para Emprendedores Agrícolas*. Translated Spanish course curriculum for “Agricultural Entrepreneurship and Business Planning” course, Cultivating Success Program.
- Ostrom, Marcia and David Muelheisen (eds). (2005-2008) Washington State Farm Walk Manual Series: *Learning on the Land*. WSU Small Farms Program and Tilth Producers of Washington, Washington State University.
- Ostrom, Marcia (2003). *Sustainable Small Farming Student Notebook*. Study guide and resource manual developed for Sustainable Small Farming and Ranching Course, Community and Rural Sociology/Crops and Soils 404, Cultivating Success Course Series, Washington State University and University of Idaho.

TEACHING AND ADVISING

Academic Courses

- Natural Resources, Society, and Environment*, SOE 312, global campus adaptation of Pullman course, 3 credits, Fall Semesters (2018, 2020, 2021) (35-40 students). 2020 Mean Student Evaluation Rating for Overall Effectiveness of Instructor, 4.4/5
- Graduate Agroecology*, SOE 540, *in-person, hybrid AMS video, Blackboard, and zoom*, 3 credits, Fall Semester (2017, 2018), Spring Semester (2021) (12-15 students); 2021 Mean Student Evaluation Rating for Overall Effectiveness of Instructor, 4.9/5
- Field Analysis of Sustainable Food Systems*, AFS 445/545, Field Trip and Blackboard, 3 credits, with required week-long, field immersion experience over Spring Break (annually 2004-2019, except during sabbaticals in 2012, 2020, canceled due to Covid in 2021); graduate students and selected upper-level undergraduates (12-19 students); 2019 Mean Student Evaluation Rating for Overall Effectiveness of Instructor, 4.5/5
- Graduate Research*, SOE 700, SOE 800, AGRI 702, variable credits and semesters (2015-present).
- Principles and Practices of Sustainable Small Farming Systems*, AGRI 562 (special topics), 3 credits, Fall Semester (2016).
- Principles of Sustainable Small Farming and Ranching*, Soils/AFS/CRS 416. Fall Semesters, 3 credits, (2007-2009). Online course on Blackboard.

Extension Courses

Agricultural Entrepreneurship, Soils/AFS/CRS 403, WSU Puyallup, spring semester, academic or CEU credits (2002-2006). Designed curriculum, trained instructors, and coordinated County Extension course sites in Chelan County, Clallam County, Franklin County, Jefferson County, King County, Kitsap County, Mason County, Okanogan County, Pierce County, Skagit County, Snohomish County, Spokane County, and Whatcom County, CEU credits (2003-2015). Supervised and funded bilingual Hmong-English adaptation in King County (2004-2014) and Spanish-English adaptation for Yakima, Okanogan, and Skagit Counties (2004-2020); online adaptation Spring (2021, 2022)

Sustainable Small Farming and Ranching, Soils/AFS/CRS 404, WSU Puyallup, fall semester, academic or CEU credits. Designed curriculum, trained instructors, and coordinated County Extension course sites in Clallam County, Jefferson County, King County, Kitsap County, Mason County, Okanogan County, Snohomish County, Stevens County, and Whatcom County, CEU credits (2003-2015). Supervised and funded bilingual Hmong-English adaptation in King County (2004-2014) and bilingual Spanish-English adaptation Yakima, Okanogan, and Skagit Counties (2004-2019); online adaptation Fall (2020, 2021).

Guest Lectures

Organic Gardening and Farming, Soil Science 101
Systems Skills Development for Agricultural and Food Systems, AFS 201
Advanced Systems Analysis in Agricultural and Food Systems, AFS 401
Current Research in Organic and Sustainable Agriculture, AFS 501
Trends in Horticulture, Hort 425
Advanced Topics in Environmental and Natural Resource Sciences, SOE 592

Graduate Students

Current Graduate Students (*Ostrom primary advisor)

Olivia Butterman* (Ph.D. Environmental and Natural Resource Sciences)
Seth Flanders (Ph.D. Environmental and Natural Resource Sciences)
Larra Bea Elliott (M.S. Environmental Science)

Past Graduate Students and Graduation Year (*Ostrom primary advisor)

Mark Batcheler* (Ph.D. Environmental and Natural Resource Sciences, 2023)
Mark Ouye (M.S. Agriculture, 2022)
Marcella Bartelheimer (M.S. Agriculture, 2022)
Julie Jesmer (M.S. Agriculture, 2022)
Judith Wait* (Ph.D. Environmental and Natural Resource Sciences, 2021)
Julia Schreiber (M.S. Agriculture, 2021)
Jessica Schultz (M.S. Agriculture, 2021)
Kali Rogerene Kahoiwai Montero Arce* (M.S. Agriculture, 2020)
Brianna Wells (M.S. Agriculture, 2020)
Kelsi Jarosz (M.S. Agriculture, 2020)
Kimberly Castelin* (Ph.D. Environmental and Natural Resource Sciences, 2019)
Cynthia Ann Heckelsmiller (Ph.D. Anthropology, 2019)
Loraine Mercer* (M.S. Agriculture, 2019)
Cedric Habiyaremye (Ph.D. Crop and Soil Sciences, 2019)
Katherine Taylor (M.S. Horticulture, 2019)

Katherine Smith* (M.S. Environmental Science, 2018)
Shannon Brenner* (M.S. Environmental Science, 2018)
Maria Lopez (M.S. Environmental Science, 2017)
Krista Cole (M.S. Agriculture, 2016)
Jennifer Poston (M.S. Agriculture, 2015)
Denise Smee (M.S. Public Affairs, 2015)
Leslie Morgan Gardner (M.S. Environmental Science, 2013)
Jennifer Ringwood (M.A. Applied Economics, 2012)
Belinda Hays (M.S. Environmental Science, 2011)
Courtney Bennet (M.S. Environmental Science, 2010)
Allison Wesockes (M.S. Environmental Science, 2010)
Christine Armstrong (M.S. Agriculture, 2010)

SELECTED WORKSHOPS, CONFERENCES, AND SYMPOSIA (co-organized)

- Coming Together for Racial Understanding (CTRU), Facing Racism in a Diverse Nation, WSU Extension Train-the Trainer Virtual Workshop, planning, recruitment, and curriculum development, Feb 4 – April 15, 2021.
- Coming Together for Racial Understanding Breakout Workshop, Washington State University DEI Summit, March 4, 2021.
- Study Circles on Race and Equity, Virtual Dialogue Series of 5 Sessions, 9 groups with 112 total participants, Coming Together for Racial Understanding, July – October, 2020.
- Building Extension understanding and leadership in an environment of systemic racism, workshop led by Rachel Welborn, Southern Rural Development Center, and Dionardo Pizaña, MSU, for Extension Committee on Operations and Policy (ECOP) Learning for Leaders Program, Directors and Administrators, Association of Public and Land Grant Universities, served on facilitation team, June 26, 2020, Virtual.
- Finding Home in the ‘Wilderness’: Explorations in Belonging in Circumpolar Food Systems, Joint Annual Meeting of the Agriculture, Food, and Human Values Society and the Association for the Study of Food and Society, University of Alaska Anchorage, conference planning committee, program committee, convened annual business meeting and served as society president, June 26-29, 2019.
- Coming Together for Racial Understanding (CTRU), Facing Racism in a Diverse Nation, WSU Extension Train-the Trainer Workshop Leavenworth, organizer, fund development, curriculum development, and facilitator, April 29th - May 1st, 2019.
- Annual North Central Washington Community Success Summits, Institute for Rural Innovation and Stewardship (IRIS), planning committee, facilitator, facilitation coach, and bilingual program advisor (2010-2018).
- WSU Women in Agriculture Conference, conference planning committee, site facilitator and panel organizer/moderator. Five state, mixed on-site and videoconference speakers, Oct 28, 2018.
- Place-Based Food Systems: Making the Case,” KPU Institute for Sustainable Food Systems, conference planning committee, Richmond, B.C. August 9-10, 2018.
- WSU Women in Agriculture Conference, conference planning committee, site facilitator and panel organizer/moderator. Five-state, mixed on-site and videoconference speakers, November 18, 2017.
- WSU Women in Agriculture Conference, conference planning committee and site facilitator for Wenatchee, WA. Five-state, mixed on-site and videoconference speakers, March 19, 2016.
- Washington State Farm Walk Series organized and co-sponsored annually with Tilth Producers of Washington. A producer-to-producer series of 8-10 on-farm seminars per year on leading sustainable and organic farms in representative regions of the state. Currently attended by an average of 50 producers per seminar. Planning, organizing, and facilitating. Bilingual offerings each year starting in 2008. 2004-present.
- Spanish-Language Track, Annual Conference of Tilth Producers Association of Washington.”

- Plan content for Spanish language panels and presentations, arrange interpreters, supply simultaneous translation equipment, fund scholarships, and make travel arrangements for speakers and attendees. Various locations, Nov. 2009-Nov. 2021.
- Annual Washington State Farmers Market Association Conference, organized with the Washington State Farmers' Market Association and the WSDA Small Farm and Direct Marketing Program, locations alternating Eastside and Westside, January, 2002-2016.
- Cultivating Success: Train-the-Trainer workshops, annual instructor meetings, coaching, and trainings for Sustainable Small Farming Systems Classes, including bilingual courses, 2002-present.
- Building Extension Capacity to Address Community Food Security through Food Systems, conference held by the Community, Local and Regional Food Systems eXtension Community of Practice. Served on steering committee and conference planning committee, Cleveland, OH, Sept. 29 - Oct. 1, 2014.
- Washington Small Farms Team Annual Planning Retreats and Professional Development Programs, plan and facilitate, raise funds, and evaluate. Various locations in WA, (2001-2016).
- Cross-Cultural Success at your Farmers Market, daylong train-the-trainer event for Washington farmers market managers, North Bend, WA, March 28, 2014.
- Creating Farm Incubators and New Farmer Education Programs, Washington Small Farms Team Annual Meeting, Ellensburg, WA, April 6, 2010.
- Winter Cover Cropping School, WSU Small Farms Program, WSU Puyallup Organic Farm, March 22, 2010.
- Organic Livestock Management, Small Farms Annual Team Meeting, sponsored by CSANR SARE mini grant, Mt. Vernon, WA, April 7, 2009.
- Artisan Cheese Producers Mobile Tour of Okanogan County, 10-hour bus tour with seminars on micro-dairy regulations at three sites organized with WSDA Small Farm and Direct Marketing Program, sponsored by USDA RMA. November 19, 2008.
- Second Annual Central Washington Farm-to-Table Regional Networking Meeting, held with Cascade Harvest Coalition, Heifer International, WSDA Small Farm and Direct Marketing Program, and EAT Local. Wenatchee, WA, November 17, 2008.
- Agricultural Interpreting for Social Justice, two-day intensive seminar for 15 bilingual agricultural professionals on simultaneous and consecutive interpreting techniques and organizing welcoming multilingual educational settings with trainers from the Highlander Center, Tennessee. Easton, WA. September 30-October 1, 2008.
- A Taste of Washington, with Cascade Foothills Farmland Alliance, Leavenworth, WA, August, 2008.
- Multicultural Farming Roundtable, organized a train-the-trainer workshop for 68 agricultural professionals serving diverse farmer audiences. Multiracial, multilingual, multicultural farmer panels and speakers. Sponsored by USDA RMA. Partnered with OSU and Heifer International. Hood River, Oregon, Sept. 4, 2008.
- Central Washington Farm to Table Regional Development Forum, organized and co-sponsored with Heifer International, Pacific Northwest Program, WSDA Small Farm and Direct Marketing Program, and EAT Local. Leavenworth, WA, March 19, 2007. Attended by 115 agricultural producers, purchasers, and agricultural professionals.
- Conducting a Community Food System Assessment, Education and Action Together (EAT), Wenatchee, WA, Jan. 31, 2007.

- Symposium on Sustainable Agriculture, Communities and Environments in the Pacific Northwest, Planning Committee, Department of Community and Rural Sociology, Washington State University Tri-Cities, Richland, WA, May 18-20, 2006.
- Water Management and Drought Preparation, Listening Session and Workshop for Latino farmers, organized by the Small Farms Program, El Ranchito Restaurant, Zillah, WA, May 26, 2005.
- The New Food Entrepreneur: Value-Added Processing for Farm Profitability and Sustainable Food Systems,” organized and managed conference attended by over 300 state and national participants, Green River Community College, Auburn, WA, April 1-2, 2005.
- Growing a Regional Food Economy, county forums for policy makers, agency personnel and leaders of non-profit organizations in King County, Chelan County, Skagit County, January - March, 2004.
- Sustainable Small Farming from Farm to Table, weeklong field immersion program for agricultural and academic professionals at Quillisascut Farm in Rice, WA. 2004.
- Ostrom, M., Garret, S., Kantor, S., Musick, M. and L. Zenz (2002). Local Planning Committee, National Community Food Security Coalition Sixth Annual Conference: Eating Locally, Thinking Globally, Seattle Center, Seattle, October 7.

PROFESSIONAL SERVICE

University

- 2017-Present Steering Committee, WSU Food Systems Program
- 2018-Present Washington Core Team, Coming Together for Racial Understanding (CTRU)
- 2020-Present School of Environment Lane Lecture Series Committee
- 2018-2020 School of Environment Awards Committee
- 2018-Present ADVANCE Liaison, School of Environment
- 2016 Food Systems Merger Team, Extension Community and Economic Development Unit and CSANR
- 2015-2016 Food Systems Workgroup, Extension Community and Economic Development
- 2000-2018 Leadership Team, WSU Center for Sustaining Agriculture and Natural Resources
- 2015-2017 Steering Committee, WSU Farm and Food Systems Team
- 2015-2017 Graduate Committee, WSU School of the Environment
- 2010-2018 Faculty Diversity Award Committee
- 2008-2019 Smick Fellowship Committee
- 2008-2009 Planning committee for “A Conceptual Proposal for a New Interdisciplinary *School of Environment* at Washington State University”
- 2001-present Served on 9 faculty mentoring committees and 16 search committees

National

- 2006, 2018-2019 USDA Western Sustainable Agriculture Research and Education (SARE) Grant Proposal Reviewer, Research and Education Grants
- 2007-present WSU Representative for Inter-Institutional Network for Food and Agricultural Sustainability (INFAS), a National Consortium of Land-Grant Sustainable Agriculture Centers, UC Davis and W.K. Kellogg Foundation (served on executive committee from 2018-2020).
- 2001-present Washington State Small Farms Contact, USDA National Institute of Food and Agriculture Small Farms Program.

- 2018-present Research Team, National Coming Together for Racial Understanding (CTRU) initiative, Southern Rural Development Center, Mississippi State University
- 2018-present Racial Equity in the Food System Workgroup, Center for Regional Food Systems, Michigan State University, eXtension Community of Practice (eCoP)
- 2012-2017 Community, Local and Regional Food Systems, Steering Committee, National eXtension Community of Practice (eCoP), currently a member.

Community and Regional

- 2013-2017 WSU Representative and videoconferencing host for Washington State Food Systems Roundtable, Washington State Government (Executive Order 10-02).
- 2008-2019 Leavenworth Community Farmers Market, founder and board member
- 2008-present Board Chair, Board Member, and Success Summit Planning Committees, Institute for Rural Innovation and Stewardship (IRIS), Wenatchee, WA
- 2007-present Alumni interviewer for Harvard Applicants, Central Washington.
- 2002-2015 Washington Sustainable Food and Farming Network, member
- 2000-present Member, Washington Tilth Producers Association/Tilth Alliance and advisor for multilingual conference farmer track
- 2000-2015 Advisory Board Member, WSDA Small Farm and Direct Marketing Program
